

The Norwegian Suzuki Association welcomes you to their  
annual national Suzuki workshop  
19/20 - 23 June 2020 in Geilo, Norway.

violin – cello – viola – piano – guitar – Suzuki early childhood education

The workshop invites children of all ages and levels to participate. The workshop is also open for students and teachers who use Suzuki books. The main focus in Suzuki-teaching is the repertoire from the Suzuki books, which is fundamental for technical skills. The pieces are played by heart and the participants are divided into groups according to each child's level. We have very competent, dedicated and experienced Norwegian and international teachers and experienced pianists!

There will be daily house concerts, orchestra concerts and a final concert in the beautiful Geilo Culture Church. There will also be gatherings in the evenings with among other things bowling, folk music and lectures. On Saturday evening there will be a barbecue and an outdoor quiz, depending on weather conditions. Maybe a ghosthunt as well in the attic, if you dare...

The workshop commences on Saturday the 20<sup>th</sup> of June at 2 PM. Lunch (for participants starting Saturday) may be ordered and paid directly to the hotel. The workshop offers an extended course for advanced students from Friday the 19<sup>th</sup> of June at 6 PM. The tuition is the same, but there is the cost of an additional night which includes full board. The workshop will be arranged similar to previous years' arrangement: Playing in groups, orchestra and concerts, plus master classes and chamber music for the advanced students. Music theory will also be taught.

Norsk Suzukiforbund is organizing the workshop at Geilo, a beautiful mountainous region, for the 7th time, this year at the famous Dr. Holms Hotel. It is a short walk from the Geilo train station. Geilo is situated 3-4 hours from both Oslo and Bergen by train and car.

The workshop is enjoyable for the whole family and many families return year after year. It is a musical booster for children and young people, as well as a nice way to exchange experiences and form new friendships for the whole family. All participants under the age of 16 must be accompanied by an adult.
